Brussels,

30. 11. 2018

Excellency,

Let us extend our sincere congratulations on your election as President of Georgia.

These last direct presidential elections were an important moment for Georgia, marking the conclusion of the shift to a full parliamentary system. These were hard fought elections and your leadership in overcoming political polarisation will be of paramount importance.

The European Union remains committed to continuing our excellent bilateral cooperation with Georgia. We look forward to working together to continue the consolidation of Georgia's democratic institutions, and to advance the political association and economic integration between the EU and Georgia. The EU remains firmly committed to Georgia's territorial integrity within its internationally recognised borders and will also continue to actively support conflict resolution efforts.

We wish you every success in your new role and look forward to meeting you.

Yours sincerely,

For the European Council

Donald TUSK
